object-ness, Dayton has lacquered a surf decal on each™ some have a special
™ decal, which are, interestingly, similar to the shape of noland™s
1964 chevron paintings. **more black meat than joy-1 - Peter Dayton** - aside for black paintings on
wood cast as surfboard sectionals. these monoliths riff-on and rip-off Stella™s famous series
of black paintings executed in the late fifties and early sixties. the surfboards continue a series
Dayton introduced in a show titled, ["Surfboards by Clement Greenberg."](#)™ the title is a
provocation. Greenberg, one of last century™s most influential art critics ...
